

The Moore County Hounds
9th Annual Foxhound Invitational
Performance Trial
October 12,13, 2019
Great sport, great food and great camaraderie.

Location: J Robert Gordon Field Trial Grounds, Hoffman, NC

Photo by Isabel Kurek

These wonderful grounds are in the midst of North Carolina's 64,000-acre Sandhills Game Land. The Performance trial grounds are comprised of 9,000 acres of open longleaf pine forest. There is excellent footing with sandy roads and fire lanes throughout the grounds. This is the native

longleaf pine ecosystem with no fencing. The trial is conducted just like a regular mounted foxhunt with multiple fields, from first flight to hilltopper. The only difference is there is an independent huntsman to hunt the combined pack and judges riding up with the hounds to score them as they work. The trial will be a wonderful opportunity to meet foxhunters and foxhounds from all over the East Coast. Come see some of the best foxhounds in America compete. It is always energizing to see hounds thrown together and work so well together in such a short time. Bring 5 of your best hounds to hunt with hounds from across the country to create one incredible pack of superstars!!!

Hound Trial rules: Hounds will be judged on hunting, trailing, speed and drive (full cry) and marking, per MFHA rules, and endurance scores will be given. Hounds must be steady on deer. **No** first year hounds, (we know, "*your hound is different...steady as a rock...*but still **No** first year Hounds). Game: fox, bobcat and coyote

This event will be a great sporting fun-filled weekend with outstanding food and companionship. All Foxhunters are welcome, whether or not your Hunt competes hounds.

REGISTRATION

Entry fees-Competing foxhunt: \$150 per hunt, includes 6 hounds & 1 rider,
Individual attendee: \$150 for the full weekend, riding or non-riding, \$100 per day

Directions to J. Robert Gordon Field Trial Grounds, Hoffman, NC

The field trial grounds are just south of Pinehurst and Southern Pines, NC.

Note: There is no street address, hence no GPS address, for the grounds.

However, there is a bird dog trainer next door to the grounds and his street number is 279 Derby Rd, Hoffman, NC, which will get you close for time-planning purposes.

Travelling SOUTH from Greensboro, NC on Rte. 220: Route 220 is a very good, interstate-quality highway—easy ride down. It takes about 1 ½ hours from Greensboro to the field trial grounds. Going down Rte. 220, take the 2nd Candor exit, Exit 41, which says Candor Alt. 220. TURN LEFT over the Rte 220 bridge. As you go into the first curve on the left, there is a little Mexican taco restaurant. Just next to it, TURN LEFT (45 degree turn) onto Windblow Rd. Go 6 miles to a stop sign. Go straight across and the road becomes Derby Rd. Go 8 more miles to another stop sign. TURN RIGHT, immediately cross a low concrete bridge, then after less than ¼ mile TURN RIGHT onto the 1st sand road. There's no official sign here, but we'll have a Moore County Hounds sign. Go a couple of miles, pass straight through a 6-way intersection, go one more mile to the clubhouse & stables. (There's no other structure on the sand roads until the clubhouse).

Travelling South from Raleigh, NC on Route 1: Go through Sanford, then Southern Pines, then Aberdeen (where hotels are). Then, as you continue south on Rte. 1 look for a little green sign for Pine Bluff. After Pine Bluff look for Sedgewick Homes modular homes, at the corner of Thunder Road. TURN RIGHT onto Thunder Rd. (This road is hard to see and the road sign is over on the northbound side of Rte. 1. There is, however, a small strip sign that reads: "BIRD DOG FIELD TRIAL GROUNDS.") Go several miles on this paved road to a stop sign. Go straight across for another mile to a second stop sign (this section is not paved). Back on paved road, keep going straight across a low concrete bridge, then after less than ¼ mile, TURN RIGHT onto the first sand road. There's no official sign here, but we'll have a Moore County Hounds sign. Go a couple of miles, pass straight through a 6-way intersection and go one more mile to clubhouse and stables. (There's no other structure on the sand roads until the clubhouse).

Travelling North from Rockingham, NC on Rte. 1: Approximately 12 miles north of Rockingham on Rte. 1, start looking for signs for Hoffman. On the left will be a BP

Station. TURN LEFT there onto Caddell Rd. Immediately (less than ¼ mile) TURN RIGHT onto York Ave. York Ave. turns into Derby Road. About 3-4 miles down York/ Derby Rd. look on the left for the big wooden sign for J. Robert Gordon Field Trial Grounds of the Sandhills Game Land. TURN LEFT onto this sand road and go about 2 miles to a six-way intersection. Take the 2nd left (you will be bearing left, not taking a hard left). Go one more mile to the Field Trial Area clubhouse and stables. There's no other structure on the sand roads until this clubhouse.)
